Australian Immunisation Register

Immunisation history statement

The [Australian Immunisation Register](#) records vaccinations given to people of all ages in Australia.

Important note:

Immunisation requirements apply for some family assistance payments. You may need to provide your child's Medicare details, so that we can link your child's Centrelink record to their Australian Immunisation Register record. To do this, and other Centrelink business, go through myGov to your Centrelink online account or by using the Express Plus Centrelink app.

Immunisation History Statements you can view

You can view the immunisation history for the people listed below.

People aged 14 years of age or older will need to create their own Medicare online account to view their statement.

Note: The Australian Immunisation Register will only disclose the immunisation history statement of a child under the age of 14 to a parent (who has parental responsibility) of the child or a legal guardian of that child.

Select the person whose Immunisation History Statement you wish to view and confirm the declaration prior to selecting 'View statement'.

Get your immunisation history statement using your Medicare online account

Learn how to use your Medicare online account to view, print and download an immunisation history statement for yourself or your child under 14 years of age.

Children, 14 years and over will need to create their own [myGov](https://my.gov.au) account and link to Medicare to access their immunisation history statement.

Step 1: Sign in

Go to my.gov.au, sign in and open your Medicare linked service. Select 'Immunisation history statement' from the main menu.

The screenshot shows the Medicare online accounts website. On the left is a dark navigation menu with the 'medicare' logo and a list of options: Home, Lodge a Medicare Claim, History and statements, Personal details, Immunisation history statement (highlighted with a blue arrow), Organ donor details, Support, Contact Us, and Submit a complaint or provide feedback. The main content area has a header 'Medicare online accounts' with 'Welcome!' and a date. Below the header are three informational boxes: 'Medicare cheques have stopped', a message about organ donor registration, and a message about self-service options. A section titled 'Select an online service from the list below:' contains two columns of service tiles. The first column lists various Medicare services. The second column lists services from the Australian Immunisation Register, with 'Immunisation history statement' highlighted by a red box. A callout box with a green border points to this red box and contains the text 'Immunisation history statement'.

Step 2: Select the person you want to view a statement for

Select the person's name you want the statement for, then read the 'Declaration' and tick the box to confirm you understand.

Select 'VIEW STATEMENT' to continue.

The Australian Immunisation Register records immunisations given to people of all ages. Immunisations given before 1 January 1956 are not displayed on the statement.

Every effort is made to ensure that the information contained on the Australian Immunisation Register is correct. The data is based on information provided by vaccination providers. Accuracy of data is dependent on the quality and timeliness of information provided.

If an immunisation is missing from this statement and was given within one month ago, your vaccination provider will need to send the missing information to the Australian Immunisation Register. If any of the immunisation details shown on the statement are incorrect, please ask your vaccination provider to provide the correct details by calling us on 136 206 303 (call charges may apply).

If you have any questions about this statement please call the Australian Immunisation Register on the number above.
