Step 1: agree to terms of use

Read the **terms of use** and the **privacy notice**. These are in English.

The **terms of use** are the rules you must follow when you create and use your myGov account.

The **privacy notice** explains how we collect, use and share your personal information. It also explains how you can access and correct the information we have about you.

If you have read and agree with the **terms of use**, select **I agree**.

If you are unsure about the terms of use or privacy notice, ask someone to explain it to you.

The screenshot shows a mobile interface for the 'Terms of use' screen. At the top left is a '< Back' link. The main heading is 'Terms of use' with the sub-heading 'Step 1 of 5'. The text reads: 'By creating a myGov account, you are agreeing to be bound by the [terms of use](#). You are also agreeing to how the Department of Human Services collects, uses and discloses your personal information, as set out in the [privacy notice](#). The terms set out your responsibilities as a myGov account holder and our responsibilities as the service provider of myGov. By clicking 'I agree', this means you have read and understood the full [terms of use](#) and agree to comply with them.' At the bottom, there are two buttons: 'Cancel' and 'I agree'. The 'I agree' button is highlighted with a red border. Green callout boxes with lines pointing to the text identify 'terms of use', 'privacy notice', and 'I agree'.

Step 2: enter your email address

If you share an email address, only one person can use it for their myGov account. If this email address is already used for a myGov account, you will need to use another email address.
