Continued funding for GovPass — Trusted Digital Identity

This measure, led by the Digital Transformation Agency, expands the development of GovPass infrastructure.

GovPass is delivered by the department in partnership with:

- the Australian Taxation Office, and
- the Department of Home Affairs.

This is a whole-of-government initiative. It will let Australians use a digital identity so government services are easier, faster and simpler to use.

Who is affected by this measure?

When rolled out, this measure will affect up to 200,000 people accessing services from the Department of Human Services.

When will this start and finish?

This measure starts 1 July 2019 and ends 30 June 2020.
