当您申请时，我们会要求您提供医学证明。我们可能需要复制您的文件，而后再将原件归还给您。

我们会在评估过程中使用您的这些文件，以确定您符合领取付款资格要求。您可能需要参加评估。

一旦您递交了所有申请和证明文件并参加了评估，如果您申请成功，我们将会通知您。如果您符合 DSP 资格要求，我们会告诉您付款开始时间以及付款数额。

### Job Capacity Assessment

作为申请过程的一部分，您将需要参加Job Capacity Assessment (JCA)。JCA将确定您的病况和残障对您工作能力的影响，以及您是否会从就业协助方面受益。

此项评估免费。

### Disability Medical Assessment

JCA之后，我们可能会为您转介Disability Medical Assessment (DMA)。

DMA可帮助我们评估您的病况，以确定您符合DSP的医学资格要求。

您的 DMA 将由政府特约医生进行。特约医生不是您的平常医生，虽然特约医生在需要了解更多信息时可能会与您的医生联系。所有政府特约医生都具备开展这类评估的资质并接受过专门培训。

特约医生将为我们提供一份报告，从而协助我们就您的 DSP 申请作出决定。  
此项评估免费。

## Disability Support Pension

Disability Support Pension (DSP) provides financial support for people who have a physical, intellectual or psychiatric condition that stops them from working, or who are permanently blind.

### Eligibility for Disability Support Pension

You may be eligible for DSP if you:

- are between 16 years of age and age pension age
- meet the residence requirements
- meet the income and assets tests for your situation, and
- are permanently blind, or
- are assessed as having a physical, intellectual or psychiatric impairment, and
- are unable to work, or be retrained for work, for 15 hours or more per week at or above the relevant minimum wage within the next two years because of your impairment, and
- have actively participated in, or completed, a Program of Support if required.

### Claiming Disability Support Pension

When you claim you will be required to provide medical evidence. We may need to copy your documents and return the originals to you.

We will use these documents as part of the assessment process to determine your eligibility for payment. You may need to attend assessments.

Once you have submitted all your claims and supporting documentation and completed your assessments, we will let you know if your claim is successful. If you are eligible for DSP, we will tell you when your payment will start and how much you will get paid.

### Job Capacity Assessment

As part of your claim process, you will need to attend a Job Capacity Assessment (JCA). A JCA will determine the impact of your medical conditions and disabilities on your ability to work and whether you would benefit from employment assistance.

There is no cost for this assessment.

### Disability Medical Assessment

Following your JCA, you may be referred to a Disability Medical Assessment (DMA).

A DMA helps us assess your medical conditions in order to determine your medical eligibility for DSP.

Your DMA will be conducted by a government contracted doctor. This doctor will not be your usual doctor, though they may contact your doctor if they need more information. All government contracted doctors are qualified and trained to carry out these assessments.

They will provide us with a report that we will use to help us make a decision on your DSP claim. There is no cost for this assessment.
