

8.6 SME Participation

- 8.6.1 Without prejudice to any other obligation in respect to this contract, and unless otherwise agreed in writing by Centrelink, Hitachi must meet or exceed the commitments made in respect to small to medium enterprise participation detailed in its Tender and otherwise ensure that at least 13% of the Total Contract Value is attributable to goods and services sourced from small to medium enterprises in accordance with Australian Government policy.

8.6.2 Hitachi must provide written reports to Centrelink and fully brief relevant Centrelink Personnel at least once per calendar year on the actual level of goods and services sourced from small to medium enterprises in accordance with Australian Government policy.
