About this form
We understand that seeking a home care package can be a sensitive time.
If you are seeking a home care package, the Australian Government may subsidise your home care fees. This form collects details of your income and financial assets so we can calculate the amount you will pay towards your home care.
A simpler digital version of this form is available by going to humanservices.gov.au/forms and selecting ‘Aged Care Calculation of your cost of care’.

Fee Estimator
You can get an estimate of the amount you may be asked to pay towards your home care by going to myagedcare.gov.au and searching for ‘fee estimator’.
You can talk to a Financial Information Service (FIS) officer who will give you information about the financial aspects of aged care. Call us on 132 300 and say ‘Financial Information Service’ when we ask why you are calling.

When to use this form

Do you want an assessment for a home care package?
Yes
Are you receiving a means tested income support payment (e.g. Age Pension, Service or Disability Support Pension)?
Yes
Do you agree to provide your income and financial assets?
Yes
Complete this form
No

No

If you are entering a residential aged care home, refer to the Residential Aged Care Calculation of your cost of care (SA457) form instead.

If you receive a means tested payment from Centrelink or DVA, do not complete this form. We have enough information about you for your assessment.
If your income and assets have not been updated in the last 2 years or have changed since you last made an update, please go online through myGov or call Centrelink on 132 300 or DVA on 1800 555 254.
Note: Age Pension (Blind), Disability Support Pension (Blind) and War Widow(er)s payments are not means tested. Please see the next page for a full list of means tested payments.
If you require a pre-commencement fee letter, please call Centrelink on 1800 227 475 or DVA on 1800 555 254.

When to use this form

If you do not wish to provide your income details, complete this form and answer No at question 14. You will pay the maximum home care fees until you reach the annual or lifetime cap.
This means that your provider can require you to pay the basic daily fee and the maximum income-tested care fee.

Keep these Notes (pages 1 to 4) for your information.
Most aged care services in Australia, including home care services, are subsidised through government payments to providers. You may be asked to contribute to the cost of your care if you can afford to do so.

This form is used to calculate the amount you will pay towards your cost of care.

Calculating your cost of care

Non-means tested payments may include:
• Age Pension (Blind)
• Disability Support Pension (Blind)
• War Widow(er)s Pension

Means tested payments may include:
• Age Pension

• Veterans Payment
• Farm Household Allowance

Who should complete this form?
If you are not receiving any Centrelink or DVA payments OR you are receiving a Centrelink or DVA non-means tested payment listed above, you will need to complete this form so we can calculate your cost of care. This is because we do not know enough about your income and financial assets to complete your assessment.

Who should not complete this form?
If you are receiving one of the means tested payments from Centrelink or DVA listed above, and:
• you have updated your income and assets within the last 2 years, or
• your assets and income have not changed since you last provided an update
do not complete this form. We have enough information about you to complete your assessment.

If your income and assets have not been updated in the last 2 years or have changed since you last made an update, please go online through myGov or call Centrelink on 132 300 or DVA on 1800 555 254.

Important information for Australian Ex-Prisoners of War and Victoria Cross recipients
If you are an Australian Ex-Prisoner of War or Victoria Cross recipient you may not need to complete this form. Please contact DVA on 133 254. If you live in regional Australia call on Freecall™ 1800 555 254.
Income for the purposes of aged care

Income, for the purposes of aged care, is not the same as taxable income. Your assessed income includes:

- income from work
- income support payments from the Australian Government, such as the Age Pension, a Service Pension or an Income Support Supplement
- income from financial investments
- net income from rental properties
- War Widow(er)s Pension and some disability pensions
- net income from businesses, including farms
- superannuation and overseas pensions, income from income stream products such as annuities and allocated pensions
- family trust distributions or dividends from private company shares
- income from outside Australia.

If you have a partner you will be asked to answer questions about your combined income. Your income will be assessed as half of the total combined income, regardless of whose name it is in.

Financial investments deemed to be earning income include bank accounts and other financial investments. It is important you tell us about all the bank accounts and financial investments you (and/or your partner) have no matter what income they are actually earning.

Money or assets that you (and/or your partner) have given away in the last 5 years, may be considered to earn income.

If you have made a gift, the limit you are able to give away is $10,000 in the first financial year or $30,000 in 5 financial years – this cannot include more than $10,000 in any financial year. Gifts over these amounts will be considered an asset in your assessment.

Changes you should tell us about

You should tell us if:

- you marry, are in or commence a registered or de facto relationship, reconcile with a former partner, start living with someone as their partner
- you separate from your partner
- your partner dies
- your (or your partner’s) financial circumstances change
- a dependent child or student either enters or leaves your care
- the status of your family home changes (e.g. you sell your home)
- you enter an aged care home.

Changes such as these may affect the amount of your pension you receive or the home care fees you may be asked to pay.

To advise us of changes, call the Department of Human Services on Freecall™ 1800 227 475 or DVA on 133 254.

In the 5 years before your application/entry date, have you (and/or your partner) given away, or sold for less that their market value, or surrendered a right to any cash, assets, property or income?

**Gifting is where you:**
- give away assets, or
- transfer them for less than their market value.

**For example if you or your partner:**
- give away/transfer shares in a private company
- transfer your shares or units in a trust or company and do not get full market value for them
- give up control of a trust or company – this is a gift of all the assets the trust or company holds
- own a property and sell it for less than it is worth
- buy a car as a present
- have 10% of your wages donated to your church
- forgive a loan
- have to repay a business loan because you guaranteed it
- put money into a family trust and neither you nor your partner control the trust.

**It is not gifting if you:**
- own a house valued at an amount, but sold it on the open market with the best offer to date, as you could not wait for a higher offer
- have a debt that you cannot repay, so you transfer a car worth about the same to wipe out the debt
- put money into a family trust that you or your partner control.

If you (and/or your partner) have given away or sold for less than its market value more than 2 items, provide a separate sheet with details.
